GUARANTEED TOUGH.®

TOUGHSYSTEM®

**A MOBILE, MODULAR STORAGE SYSTEM THAT
ALLOWS YOU TO QUICKLY AND EASILY CHANGE THE
COMBINATION OF TOOLS YOU TAKE TO WORK.**

CUSTOMISATION

ToughSystem® products can be configured to meet your needs with a variety of modules from toolboxes to organisers, totes and a jobsite radio.

ACCESSIBILITY

Unique patented brackets allow any unit to be mounted or removed independently of the rest. All modules can easily be stacked together using the side latches.

MOBILITY

Take your tools anywhere with this modular, mobile storage solution. From your workshop, to your van, to the jobsite, DEWALT's ToughSystem® has you covered. Take your ToughSystem® modules from your workshop and easily load into the crash-tested Van Racking Solution. This solution can easily be self-assembled and customised for your storage needs. Once on the jobsite, the ToughSystem® Carrier features 21.5 cm heavy-duty rubber wheels, allowing easy manoeuvrability on rough terrain.

DURABILITY AND SECURITY

Offering the ultimate in toughness and high-impact protection, the ToughSystem® features rust-resistant metal latches for lockable security with an IP65 rating for water and dust resistance. The Carrier also includes a unified locking system to secure all modules with a one-handed operation.

TESTED FOR TOUGHNESS

We test the DEWALT TOUGHSYSTEM® storage family under real life conditions. Raw materials are tested to meet quality and product specifications. All testing is performed according to international standards. An uncompromising quality process ensures that the final product gives excellent performance.

TOUGHSYSTEM®

ORGANISER

DWST1-75522

- 553 x 350 x 116 mm
- Maximum load capacity 20kg
- Volume capacity: 9L

Features a transparent polycarbonate lid and 12 removable cups. These cups are locked by the lid to ensure no small parts drift between them.

TOUGHSYSTEM®

DS 280 TOTE

DWST1-75654

- 555 x 325 x 277 mm
- Maximum load capacity 20kg
- Volume capacity: 29.5L

Open tote with large front window for access even when the product is stacked between modules.

TOUGHSYSTEM®

DS 290 2-DRAWER MODULES

DWST1-80123

- 554 x 340 x 307mm
- Maximum load capacity 10Kg per drawer
- Volume capacity: 26L

Features two deep water seal drawers for power tools and hand tools.

NEW

TOUGHSYSTEM®

DS 295 3-DRAWER MODULE

DWST1-80155

- 554 x 340 x 307mm
- Maximum load capacity 7kg per drawer
- Volume capacity: 26L

Features two deep water seal drawers for power tools and hand tools.

NEW

TOUGHSYSTEM®

TOUGHSYSTEM® 4 IN 1

1-70-349

- 508mm x 660 x 1092 mm

Full system folding trolley coming with the DS150, DS300 and DS400 toolboxes to carry up to 120Kg of payload.

Thick reinforced structural foam outer casing for high-impact protection.

Rust-resistant metal latches for durability.

Heavy-duty bi-material handles provide a comfortable grip.

Side handles offer alternative lifting and easy manoeuvrability.

TOUGHSYSTEM®

DS150 SMALL TOOLBOX

1-70-321

- 550 x 336 x 158 mm
- Maximum load capacity 20kg
- Volume capacity: 15.2L

Features a lid insert to carry drill bits and small components, plus interior cups for small parts storage, which are removable to make it suitable for carrying tools.

TOUGHSYSTEM®

DS300 MEDIUM TOOLBOX

1-70-322

- 550 x 336 x 308 mm
- Maximum load capacity 30kg
- Volume capacity: 26L

Features a removable tote tray for small tools and accessories.

TOUGHSYSTEM®

DS400 LARGE TOOLBOX

1-70-323

- 550 x 366 x 406 mm
- Maximum load capacity 40kg
- Volume capacity: 41.3L

Extra deep toolbox for storage of large tools and materials, features a tote tray and removable vertical organiser to ensure easy access to small parts and tools.

TOUGHSYSTEM®

DS450 MOBILE STORAGE

DWST1-75668

- 597 x 480 x 990 mm
- Maximum load capacity in motion 40kg
- Maximum load capacity when stacked 70kg
- Volume capacity: 50L

Features a removable tote tray and a patented lid opening mechanism which allows for maximum storage volume with a non-removable lid.

TOUGHSYSTEM®

FOAM INSERT FOR DS150

DWST7-97150

- 450 x 350 x 150 mm

50mm Foam Insert Inlay for DS150. Each inlay made from 20mm squares that breakaway easily to create a bespoke solution.

TOUGHSYSTEM®

DS404 COOLER

DWST1-81333

- 550 mm x 365 mm x 406 mm
- Maximum load capacity 40kg
- Volume capacity: 25.5L

This commercial-grade cooler is a must-have on the jobsite. In addition to 5 day ice retention rate, the cooler conveniently holds 2 cans on the top lid along with an integrated bottle opener.

NEW

When carrying the toolboxes by hand, they can be fastened together, allowing them to be carried as a stack.

A high performance seal in the lid ensure they are dust and water resistant to withstand severe weather.

A pressure relief valve enables equalisation of the pressure inside and outside the unit.

Padlock eyes provide lockable security.

DEWALT®

XR®

**MUSIC +
CHARGER**

TOUGHSYSTEM®

MUSIC + CHARGER

DWST1-75663

- 545 mm x 360 mm x 155 mm
- Compatible with ToughSystem® Storage

- (A)** Bluetooth® connectivity to remotely control your music.
- (B)** Premium sound for worksite listening
4 full range tweeters + 1 subwoofer
+ 1 assisted bass resonator.
- (C)** IP54 rated for dust and water resistance.

LOW DWST1-81042

HIGH DWST1-81045

NEW

TOUGHSYSTEM®

VAN RACKING

DWST1-81042 LOW VAN RACKING

- Min. 90cm
- Max. 160cm
- Comes with 3 pairs of brackets

DWST1-81045 HIGH VAN RACKING

- Min. 160cm
- Max. 210cm
- Comes with 4 pairs of brackets

- Maximum load capacity 68kg
- Load capacity per pair of brackets 20kg
- Compatible with ToughSystem Modules: DS150, DS300, DS400,

This crash-tested, self-assembled van racking solution is a modular storage system that allows users to quickly and easily change the combination of tools they are working with. This unit comes in two sizes to accommodate both low and high vans. Most ToughSystem® units are compatible with this racking system, making it easy to customise your storage solution on the go. Each rack can carry up to 68kg. to accommodate those heavy power tools. This space-saving design allows for the brackets to easily fold out of the way when not in use.

DEWALT® warrants this product for its useful life (not to exceed one year or 30,000 km / 22,300 miles for products with electrical or electronic components and products installed in a vehicle) against deficiencies in material and workmanship. This WARRANTY does not cover products that are improperly used, abused, altered or repaired, or that have been involved in a vehicular accident. Deficient products will be replaced or repaired except in the case stated above. Please visit www.DEWALT.com to activate your warranty and to get additional information.
